

**Wien's Sweetheart Deal**

# How Sweet It Is!

**And the farther you fly—the sweeter it gets.**

Now Wien's Sweetheart Deal is even sweeter. We've expanded the \$100 fare to anywhere we fly, excluding Prudhoe Bay.\*

Here's how it works. Buy a qualifying round trip ticket between most of our Alaskan jet-served cities and Anchorage, and your spouse can travel for only \$100. Between Anchorage and Seattle it's an additional \$100 for your spouse. Between Seattle and our other destinations — Boise, Salt Lake, Phoenix, or Denver, your spouse can also go along for \$100.

So be a sweetheart — travel as far as you like and take your spouse along for next to nothing on Wien Air Alaska.

For conditions and reservations, call your Travel Agent, or Wien Air Alaska at (800) 562-5222.
