

Doyon Stockholders:

Dear Fellow Stockholder:

It has certainly been a pleasure to serve as your representative on Doyon, Limited's Board of Directors. During the past two years I have gained tremendous insight, knowledge, and experience. It has been especially pleasureable for me to see how Doyon has grown into a corporation like it has, even in the last two years. I would like to see this growth continue.

Very shortly my two year term as one of the Board Members will be up. Therefore, I am asking for your continued support to insure that my experience and knowledge of our corporation's recent business activities will not end.

I would appreciate your vote as I anticipate a bright future for Doyon, Limited.

Thank you very much.

Sincerely,

Donald V. Honea, Sr.
