Dave Krone — Pilot

"As a MarkAir pilot, I have one priority and that's making every flight safe, comfortable and relaxing . . . the same smooth flight time after time. That's what you're depending on me for and I never forget it."

"So if safety and comfort are as important to you as they are to me, fly with our airline, MarkAir. With over 40 years of Alaska flying experience, we'll give you a flight you can depend on."
