## Regional and Village Corporations

**Calista Corp.** has appointed shareholder Stephanie Dobson to serve on the Board of Directors. Dobson will complete the term of Mike Neimeyer, who was recently appointed to head Calista's Natural Resources Department.

Dobson has been an engineer with ARCO Alaska Inc. since 1994 and is currently ARCO's Drillsite 14 Surveillance Engineer at Prudhoe Bay. She holds a B.S. in mechanical engineering from the University of Alaska Fairbanks with a minor in Alaska Native Studies.

The 11th Annual **Cook Inlet Region Inc.** Friendship Potlatch is scheduled for Sunday, October 15 at Romig Junior High School in Anchorage. This year's theme is *In Honor of Families*. The event provides CIRI shareholders to socialize outside the demands of business meetings and

activities. Dancers, crafts people and others often travel long distances to share traditional Native foods and visit with friends and relatives. This year will feature new programs for children. For more information, call 274-8638 or (800) 764-3382.

The **Kuskokwim Corp.** is sponsoring a two-day workshop entitled *Overview of Land Management* on October 17-18 and

December 14-15 in Anchorage. Under the auspices of its Planning and Management Division, TKC has recruited guest instructor Larry Lau to present information on everything from researching land status and land use planning for economic development to reading maps and aerial pho-

tos. Lau will also discuss current issues in land and resource management, including urban-rural relations, subsistence and environmental protection.

The fee is \$200 per person and is open to anyone involved with land use management and planning. For more information, call 276-2101.

*SpaceMark, Inc.*, a wholly-owned subsidiary of **The Aleut Corporation**, specializing in federal govern-

ment support services, has been awarded four new contracts. Three of the contracts are with subordinate units of the USAF Space Command, headquartered in Colorado Springs, Colorado. The fourth contract is with the Federal Aviation Authority in Longmont, Colorado. All four contracts began October 1.

SpaceMark was acquired by The Aleut Corp. in 1990. Since then, it has grown steadily from \$1 million in revenues per year, to more than \$17 million in revenues last year.
