

NAC increases Barrow Service

Northern Air Cargo has announced increased service to Barrow and Prudhoe Bay (Deadhorse airport). In addition, the carrier added increased capacity to Kotzebue and Nome.

For Barrow and Prudhoe Bay, the schedule will increase to 5 days per week (Tuesday-Saturday) from Anchorage to Fairbanks. Overnight service from Anchorage is now available to Barrow to Prudhoe Bay Monday through Friday.

Northern Air Cargo recently introduced Boeing 727 jet freighter

service statewide, and will offer a scheduled jet cargo flight to Kotzebue to Nome on Tuesday through Saturday. Flight 25 will depart Anchorage at 4:30 am.

The all cargo carrier provides charter and flag-stop service to dozens of other destinations throughout Alaska, Canada, Siberia, and the Lower 48. For flight schedule and information about Northern Air Cargo services call (907) 243-3331 or (800) 478-3330 in Alaska, or (800) 727-2141 in the continental United States.
