

licensees for highway construction contracts:

"The Department has established a total Female and Minority Business Enterprise (FMBE) participation goal of 5.0 percent for all projects composed of 3.0 percent for firms owned and controlled by females and minorities and for firms owned and controlled by women.

Where no goals are specified for a project, bidders must submit a completed Form 25A326 attached to the proposal. If they do not intend to subcontract a portion of the work and, if so, they must have taken affirmative action to seek out and consider female and minority as potential subcontractors. Each bidder shall submit a completed FMBE Certification Form with the proposal. If not attached to the proposal, proposals will not be considered with completed Form 25A326 attached.

Where percentage goals are specified for a project, bidders must submit a completed Female and Minority Business Enterprise Report, Form 25A326/5/81, attached to the proposal. Proposals will not be considered without completed Form 25A326 attached."

Forms 25A320 or 25A326 will be included with the bidding documents.

Bidders that submit false information that fall to the female and minority Enterprise goals and fail to demonstrate sufficient sustainable efforts will be eligible to be awarded the contract.

One set of plans and specifications may be obtained by all who have a valid Alaska Driver's License, purposes from the Chief of Engineering Services, P.O. Box 1467, Juneau, Alaska 99801. All requests must be by first class mail. Plans may be examined at the Highway Office of the Department of Transportation and Public Facilities, Anchorage, Fairbanks, and Valdez.
