

Mrs. Moore of Emmonak Visits Mt. Edgecumbe

Mrs. Willie Moore of Emmonak is visiting Mt. Edgecumbe as a participant in the Parent Visitation Program. Mrs. Moore has visited home economics and social studies classes relating stories about her early life, her education through the sixth grade, and how her family has gradually acquired some of the modern conveniences.

Two of Mrs. Moore's ten children are students at Mt. Edgecumbe. Robert is a senior and Minnie is a freshman. Mrs. Moore is employed as a cook for the Head Start Program at Emmonak.

On Friday she appeared at an assembly program performing Eskimo dances for the entire student body.
