

Employee Dinners

ANCHORAGE, AK, Nov. 3—Atlantic Richfield has scheduled employee dinners in four Alaska communities in recognition of its employees having worked without a lost-time accident.

The safety landmark was passed October 28. The celebration dinners will be held Tuesday at the Royal Redoubt in Kenai, Wednesday at the Switzerland Restaurant in Fairbanks, Thursday at Brower's Restaurant in Barrow, and Friday at the Anchorage Westward Hotel.

Edward M. Benson of Dallas, Texas, senior vice president in charge of Atlantic Richfield's North American Producing Division, will attend all four dinners.

Each of the company's 220 Alaska employees will be presented with a gift commemorating the occasion.
