Editor's Note:

The North Slope Borough Newsletter celebrates its half-year birthday this month. I wish it many happy returns.

The North Slope Borough touches its citizens' lives in so many ways that a monthly report may only leave a fleeting impression by comparison. Still, as residents come to know and depend on this regular community forum, I hope they will help realize its potential by contributing news of their activities, their comments and concerns. Your contributions are welcome through the Mayor's Office, c/o NSB Newsletter, Box 69, Barrow, AK 99723.
