

It is not worth producing one ton of Red Dog ore, if in the process, a worker is injured. We take great pride in our ability to do our job right and this includes doing it safely. All of us from the manager to the newest employee, have the responsibility to work safely and to avoid injury to ourselves and our coworkers. This applies not only on the job, but off the job and at home.

Lord, you have made known
to me the ways of life, you
will make me full of joy with
your countenance.
