## Pay yourself.

If you're like most people, you don't have a lot left over after the bills are paid. Often nothing at all.

In that case, you're exactly the kind of person the Payroll Savings Plan was invented for.

All you do is tell your employer to set aside a certain amount every payday toward the purchase of a United States Savings Bond. You won't feel the pinch, because you never see the money. In fact, you'll probably forget all about it, until you discover how much you've salted away.

It's a great way to assure a comfortable tomorrow for you and for your family. It's a great way to help Uncle Sam work for tomorrow's freedom, as well.

So why don't you make good the promises of an "I. O. ME" every payday? Sign up now for Payroll Savings where you work.
