LEGAL NOTICE

INVITATION FOR BIDS
STATE OF ALASKA
DEPARTMENT OF HIGHWAYS

Sealed bids in single copy for furnishing all labor, materials, and equipment, and performing all work on Project F-042-1 (68), Ski Bowl Road to Eagle River described herein, will be received until 3:00 p.m. prevailing time, July 14, 1977 in the Commissioner's Office, Department of Highways, Island Center Building, Douglas, Alaska.

This project will consist of grading, drainage, hot asphalt pavement and

construction of a weigh station. Also included are a highway lighting system and power and telephone line relocation.

Principal items of work consist of the following: traffic maintenance, lump sum, all required; 4 acres clearing and grubbing; 6,000 square yards removal of pavement; 6,300 cubic yards unclassified excavation; 4,060 tons borrow; 14,400 tons selected material; 6,600 tons crushed aggregate base course, grading C-1 or D-1, 368 stations reconditioning; 19,300 tons hot asphalt pavement for patching, class I; 1,307 tons asphalt cement, AC-5; 500 tons asphalt pavement for patching, class I; 76 tons MC-30 liquid asphalt for prime coat; class A concrete, lump sum, all required; 950 linear feet 6' chain link fence; 107 square feet standard signs; highway lighting system complete, lump sum, all required; painting traffic markings, lump sum all required; construct scale houses, lump sum, all required.

All work shall be completed in 120 calendar days, except as specified in Section 108 of the Special Provisions.

In accordance with requirements set forth by the "Federal Highway Administration," the following provisions are made a part of all advertisements for highway construction contracts:

"bidders must submit certification stating whether or not they intend to subcontract a portion of the work and, if so, that they have taken affirmative action to seek out and consider minority business enterprises as potential subcontractors. Each bidder intending to subcontract part of the contract work shall make contact with potential minority business enterprise subcontractors to affirmatively solicit their interest, capability, and prices, and shall document the results of such contracts. A bidder's failure to submit this certification or submission or a false certification shall render his bid nonresponsive."

Certification form (14-60) will be included with the bidding documents.

Plans and certifications may be obtained by all who have a bona fide need for them for bidding purposes from the Chief Road Design Engineer, P.O. Box 1467, Juneau, Alaska 99802 at a charge of \$10.00 (non refundable) for each assembly. Checks or money orders should be made payable to: State of Alaska, Department of Highways. Plans may be examined at Department of Highways Offices, Anchorage, Fairbanks, Valdez.
