## WE'LL GO OUT OF OUR WAY TO PLEASE YOU.

At Spenard Builders Supply, we go the extra mile for our bush customers. We know it's not easy for you to shop long distance, so whenever you need building supplies, we go out of our way to help.

We have everything your project requires—whether you're remodeling or starting from scratch. And don't forget our millwork items, such as doors and windows. We also have

cabinets, countertops, appliances and more. Here are the people who handle our bush business. Consider them your personal shoppers at Spenard Builders Supply in Anchorage, and call or write them when you need help.

At Spenard Builders Supply, we're "Helping to build Alaska." And when it comes to service to the bush, we're out to prove it.
