

Forest Service seeks comments

People who have any suggestions or comments on what needs to be done about the spruce bark beetle infestation in the Chugach National Forest are being asked to provide them to the Forest Service.

The Forest Service is seeking comments on the impact of the beetle in areas of the forest on the Kenai Peninsula.

Comments can be sent by Sept. 29 to the Chugach National Forest, ATTN: Bob Wilhelm, 201 E. 9th Ave., Suite 206, Anchorage 99501; 271-2526.
