"How could 3 alcoholics come out of such a wonderful home?!"

"My father is a minister with five daughters . . . a wonderful home . . . great family. How could three alcoholics come out of such a great home? Three daughters out of five?"

Alcoholism isn't selective . . . and it's not a moral disease. If you have a problem . . . don't analyze it . . . just get help like we did . . . and get on with your life. If alcoholism strikes you or someone in your family, call us now. Help us help you."
