

## *Dr. Commends U-A Students for Successful Substitute Job*

May 10, 1966

To the Editor:

Commendation and thanks are due, I think, to those students and members of the faculty of the University of Alaska who so successfully handled the publication of the Tundra Times during the past three weeks. Also, I'd like to thank the loyal office staff and all who contributed important news items—especially Tom Snapp—during the absence of the Editor.
