"Alaska's Natives share in a culture and way of life that is timeless. Today, there are tremendous challenges facing that way of life. The protection of the land is at the core of that challenge . . . that's what the "1991" legislation and my Arctic Policy Act are all about. I'm proud to work on behalf of Alaska's Native community to protect the rich heritage of our Native peoples."

— Frank H. Murkowski

U.S. Senator Frank
