

Poster contest for fifth, sixth graders

The Older Persons Action Group is holding the third annual "Children's Color Poster Contest," open to all Alaskan fifth and sixth graders.

The theme for this year's contest is "What my community does for its

elders." The deadline for entries is April 15.

Prizes include: \$100, first place; \$50, second place; and \$25, third place.

Pupils are to use 8½- by 11-inch

paper and may use any color media, although pencil drawings are not suitable. The selection of the winners will be based on how well the drawings depict the theme, as well as suitability for a poster.

Those who want more information may contact 800-478-1059, or 276-1059 in Anchorage.

Entries can be sent to Older Persons Action Group, 325 East Third Ave., Anchorage 99501.
