

## Arts Alaska publishes directory

Arts Alaska is publishing the *Alaska Arts Resource Directory*, a guide to organizations that produce, present or serve the performing, visual or literary arts, including Native arts.

It will list both nonprofit and commercial ventures located throughout the state.

Last month, Arts Alaska sent requests to all known arts organizations in Alaska. Copies of the directory will be distributed statewide in June. Those interested in being included in the directory or who want to receive a copy may contact Arts Alaska, 700 West 41st Ave., Suite 101, Anchorage 99503; or call 561-5856.

Arts Alaska, a nonprofit corporation providing professional management of the arts statewide, is financed by the Alaska State Council on the Arts, the Western States Arts Foundation, the National Endowment for the Arts and businesses and individuals throughout Alaska.
