Seal Oil, Seal Meat Needed

An Anchorage businessman would like to get some seal meat, seal oil, and reindeer meat for his business he has just started in that city.

"I pay cash on the spot but the meat must be frozen," said Gene Osborn.

The City of Anchorage has a large number of native people and great many of them crave their native foods.

"If you know of someone who could supply these items or could put me in contact with someone who could, please have them write me and let me know the prices for the products mentioned above," Osborn said.

The address is: Gene Osborn, 1113 East 13th Ave., Anchorage, Alaska 99501.

A Great Book by MUKTUK MARSTON About the ALASKA TERRITORIAL GUARD

The MEN OF THE TUNDRA is a book that gave credit where it's due. Muktuk Marston praised the ability of Alaska's native men under war time conditions. He commanded the Alaska Territorial Guard with understanding, defended them from discrimination. Major Marston formed a fine nucleus for the present crack native battalions of the Alaska National Guard. Muktuk tells the epic tale with humor and, above all, with ever present understanding of the men he worked with. A fine reading.
