

# Storm Drains For Kake

JUNEAU — Gov. William A. Egan announced recently the awarding of a \$16,000 contract for construction of storm drains and ditching work in Kake and a \$24,000 contract for construction of a local service roads project in Tenakee Springs.

The Tenakee project includes replacement of existing timber deck and associated facilities on Dock Street with timber and borrow embankment.

Both projects are scheduled for completion by Sept. 1.
