

Alaskans Wanting Summer Jobs Should Apply by December 8

Alaskans wanting summer jobs with the federal government should apply before Dec. 8, reports Senator Ernest Gruening.

Persons who have reached age 18, or who are at least 16 years old and have graduated from high school, may obtain an application card from college placement offices, most post offices, Inter-agency Boards of Examiners, and the U. S. Civil Service Commission.

Applications should be mailed to Summer Employment Examination, U. S. Civil Service Commission, 1900 E. Street, N. W., Washington, D. C. 20415.

A change in this year's pro-

gram permits applicants to be considered for post office seasonal assistant jobs and grade GS-1 through 4 summer jobs in many federal agencies by taking only one exam-

ination, rather than two as in previous years.

Agencies may begin making selection for summer employment after persons applying by Dec. 8 have been tested.
