

# ***Bay Health Corp.***

The Bristol Bay Area Development Corporation of RurAL CAP has incorporated a Health Corporation for that area.

Incorporators are Nick Gregory from Egegik, President of the Bristol Bay Area Development Corporation; Paul Matsumo of Ugashik; Gust Bartman from Dillingham; Elizabeth Hester of Levelock; and Robert Clark of Dillingham.

A board of directors will be elected at the first annual meeting and until that time, the incorporators will serve as a board.

The corporation was organized to provide comprehensive health services in the State, as well as conducting other business of a non-profit nature as deemed necessary or desirable by their board.

A \$100,000 budget is proposed and funds are being sought through the Health Affairs Division of the Alaska Federation of Natives.
