## ***Exchange Students***

The second annual exchange visit between high school students from Canada and students from Alaskan communities began Wednesday.

Sponsored jointly by the Centennial Commissions of Alaska, British Columbia, and the Yukon, the exchange is designed so that students can not only meet their contemporaries living in other areas, but to visit the communities themselves.

The Alaskan students will spend the week in Whitehorse and Dawson. They are Sam Towarak, Unalakleet; Loni Brewis, Delta Junction; Linda Wallis, Fort Yukon; Steve Rodli, Kodiak; Susan Hardesty, Ketchikan; Kathleen O'Daniel, Skagway. Chaperone is Mrs. Gail Porter of Ketchikan.

The students are all high school juniors.

The students from Canada will tour Anchorage, Fairbanks, Sitka, Juneau and Skagway.
