ZENITH
HEARING AIDS

Zenith makes 18 different models. The Zenette, for instance, is so tiny you wear it in the ear. For many people it's all they need to bring the world of sound back into focus. Ask for a free demonstration. And ask about the Zenith After-Purchase Protection Plan.

A Great Book by MUKTUK MARSTON About the ALASKA TERRITORIAL GUARD

The MEN OF THE TUNDRA is a book that gave credit where it's due. Muktuk Marston praised the ability of Alaska's native men under war time conditions. He commanded the Alaska Territorial Guard with understanding, defended them from discrimination. Major Marston formed a fine nucleus for the present crack native battalion of the Alaska National Guard. Muktuk tells the epic tale with humor and, above all, with ever present understanding of the men he worked with. A fine reading.
