#### INVITATION FOR BIDS KOTZEBUE COURTHOUSE REMODEL

**STATE OF ALASKA  
ALASKA COURT SYSTEM  
OFFICE OF MATERIEL OPERATIONS AND PROJECTS**

by

Arthur H. Snowden, II  
Administrative Director  
303 K Street  
Anchorage, Alaska 99501-2099

Sealed bids in a single copy for furnishing all labor, equipment, and materials, and performing all work for the project described herein will be received until 2:00 P.M. prevailing time, at the below address on June 27, 1986, and then publicly opened.

Alaska Court System, Office of Materiel Operations and Projects, 310 "K" Street, (2nd floor), Anchorage, Alaska 99501 (907) 264-8227.

Bid Documents, including requirements, Plans, Specifications and Contract Documents, are available for inspection and/or pick up at the Alaska Court System, at the above address, and also at the Kotzebue Courthouse, Kotzebue, Alaska 99752-0317 (907) 442-3208. A maximum of

two sets to each bidder will be issued. All Questions shall be directed to the attention of Gerry Dubie, Manager of Materiel Operations and Projects, 303 "K" Street, Anchorage, Alaska 99501 (907) 264-8227.

A bid guaranty is required with each bid in the amount of 5% of the total amount bid, not to exceed \$50,000.00 (Alternative bid items as well as supplemental bid items appearing on the Bid Schedule shall be included as part of the total amount bid when determining the amount of bid guaranty required for the project.) If the bidder fails to accompany his bid with an acceptable bid guaranty, his bid will be rejected as non-responsive. Telegraphic notifications of execution of a bid bond does not meet the above requirements of a bid guaranty accompanying a bid.

#### DESCRIPTION OF WORK

Provide all labor, materials, equipment and supervision of the construction of remodeling work in the Kotzebue Courthouse located in Kotzebue, Alaska. The work includes: Furnishing of all labor and material necessary for the incidental to the remodeling of the ground floor office area, approximately 1,500 square feet in the Kotzebue Combined Facility, Box 317, Kotzebue, Alaska, 99752-0317. Such remodeling includes demolition, new soundproofed walls, re-used and new doors, and installation of door hardware (threshold and seals), frames, and furnishing paint. Work includes everything required to produce a complete usable area compatible with existing materials and design. New carpet in the designated areas shall be bid as Alternate #1.

The State of Alaska, Alaska Court system, hereby notifies all bidders that it will affirmatively insure that in any contract entered into pursuant to this advertisement, minority business enterprises will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color, or national origin in consideration for an award.

Information regarding liquidated damages (if any), payments, etc., is attached or made a part of the Specifications. Bids shall be submitted on the forms furnished.

Publish: 6/9/86 (10093)c

#### Request For Proposals

**Anchorage International Airport  
Parking Garage/Terminal Expansion  
Phase II Project No. 53291**

**Department of Transportation and Public  
Facilities  
Division of Design and Construction  
Central Region  
Construction Section**

The Division of Design and Construction, Construction Section, intends to negotiate a contract for professional services for testing and inspection of welding of structural steel, welding of metal decking and welding of reinforcing steel. Testing and inspection will be for a new 1200 space, four level parking garage and airport terminal expansion project.

The structural steel system consists of a steel framed canopy roof over the garage escalator lobby, a steel framed canopy roof over the curbside lobby, steel stairs or ladders, steel embedded or attached to concrete and other miscellaneous steel detailed on the drawings.

It is anticipated that the testing and inspection contract will range between \$25,000 and \$50,000.

The welding inspector is required to be a certified welding inspector (CWI) in accordance with the 1986 AWS "QC-1", Section 2.1.1.

Selection of the consultant for this project will be accomplished according to standard Departmental policy and procedures.

Submittals must consist entirely of the Department's Request for Proposal form available upon request from the office below. Consultants who have questions concerning this project should contact the Resident Engineer:

**George Hartley  
5600 "B" Street, Suite 101  
Construction Office  
Anchorage, Alaska 99518  
907-266-1481 or 907-561-1148**

Submittals must be addressed to and received at the above office no later than 2:00 p.m. on June 16, 1986.
