

Attention students: Della Keats Program has four more openings

The Della Keats Summer Enrichment Program, a six-week internship of intensive study for those interested in pursuing health careers, is scheduled to begin June 20 in Anchorage.

Four cancellations have re-opened the opportunity for interested students to apply. Kathy Johnson will accept collect calls for students (18-28) interested in the fields of: medicine, dentistry, nursing and administrative programs. Phone: 786-4641
