NOTICE OF UTILITY TARRIFF FILING

The ALASKA PUBLIC UTILITIES COMMISSION hereby gives notice that ALASCOM, INC. (Alascom), a telecommunications utility, has filed a tariff revision (TA242-98) which is a request to add the following rule to the private Line Service section of Alascom's tariff.

DISCONTINUANCE OF SERVICE

When a customer requests discontinuance of Private Line Service, recurring charges will apply for a period of ten business days after notification or until the requested discontinuance date, whichever is longer. The charge will continue to apply whether or not the customer continues to use the service.

If after investigation the Commission finds a rate or classification different from that proposed by Alascom is reasonable, the commission may approve a rate or classification which varies from that proposed.

Detailed information may be obtained from the utility whose address is P.O. Box 196607, Anchorage, Alaska 99518-060. The filing may be inspected at the offices of the Public Utilities Commission, 420 "L" Street, Suite 100, Anchorage, Alaska 99501-1987.

Any interested persons may file a statement of views favoring or opposing this tariff filing with the Alaska Public Utilities Commission. While comments will be considered by the Commission in determining the appropriate action to be taken, they will not serve to make the person a party to the proceeding. Any person wishing to become a party must file a petition to intervene in accordance with Section 3 AAC 48.110 of the Alaska Administrative Code.

To assure Commission consideration of comments or petitions prior to a final decision on this matter, they must be filed by June 30, 1986. Any statements filed with the Commission should clearly affirm that the interested person has filed a true copy of the statement with Alascom.

DATED at Anchorage, Alaska, this 30th day of May, 1986.
