Let us show you how inconspicuous  
a hearing aid can be.

**ZENITH**  
HEARING AIDS

Zenith makes 18 different models. The Zenette, for  
instance, is so tiny you wear it in the ear. For many  
people it's all they need to bring the world of sound  
back into focus. Ask for a free demonstration. And ask  
about the Zenith After-Purchase Protection Plan.

The Quality goes in before the name goes on.
