

Have you heard?

Before long, you'll be closer than ever. Pass the word.
Whisper. Shout. Fax it to friends.

Talk about a telecommunications system that will give all
Alaskans the quality and global connections of AT&T,
along with the familiar reliability of Alascom.

Soon we'll have final government approval, and we'll be
ready to bring you the best of both worlds.

And that's just the beginning of better things to come.
