## "I thought drinking would bury my pain..."

"I've been through some pain in my life. I thought drinking would bury the pain. Only the more I drank, the more depressed I became...and the more depressed I became, the more I drank.

On November 13, 1980 I found the courage to enter treatment. Today I'm sober...I'm successful...and I'm happy. If you're on a merry-go-round to nowhere like I was, please pick up the phone now. Help us help you."
