NOTICE

ALASKA STATE EDUCATIONAL INCENTIVE GRANT PROGRAM APPLICANTS

The Alaska State Educational Incentive Grant Program (SEIG) provides grants to eligible students enrolled full-time in undergraduate programs at in-state and out-of-state postsecondary educational institutions. Grant awards will range from a minimum of \$100 to a maximum of \$1500 depending upon financial need. Applicants must be at least two year residents of Alaska.

Applications for 1979-80 SEIG grants are available from the Alaska Commission on Postsecondary Education, SEIG Program, Pouch F, Juneau, Alaska 99811. An application must be verified by the postsecondary institution a student plans to attend before submitting it to the Postsecondary Commission. Contact the Commission for further application procedures and eligibility criteria.

1979-80 SEIG applications should be submitted by May 31, 1979, for priority consideration. Applications received after that date will receive a lower priority for processing.
