

# Affirmative Action

ANCHORAGE—Alyeska Pipeline Service Co. recently submitted to the Department of Interior revised affirmative action plans covering policies for minority hire by Alyeska and for minority business enterprise involvement in contracts and purchases made by Alyeska. description of the procedures by which Alyeska will provide contract information to minority firms interested in supplying material and services to the project.

The affirmative action plans supersede plans previously submitted by Alyeska, the firm responsible for the design, construction and operation of the trans-Alaska pipeline.

The revised plan for minority hire includes a description of the procedures for hiring, training and promotion of minorities and women by Alyeska. The plan establishes equal opportunity goals and timetables as required by law.

The revised plan for minority businesses includes a goal to provide \$150 million in contracts and purchase orders to minority firms. This goal is an increase of \$35 million over the \$115 million goal of the original plan.

The plan also includes a
