

The Shared Environment.

Exploring for Oil in the Beaufort.

"The Shared Environment" is an in-depth look at Exxon's environmental safety procedures — an explanation of the methods and equipment that help to prevent oil spills in Alaska's Beaufort Sea, and protect creatures like the Bowhead Whale. Join Exxon in exploring the shared environment.

PUBLIC NOTICE CETA DIVISION DEPARTMENT OF COMMUNITY & REGIONAL AFFAIRS

The Governor's Manpower Planning Council will meet on March 25, 1980, in Anchorage. The meeting will be held in the first floor conference room of the Community and Regional Affairs Building at 225 B, Cordova Street, and will begin at 8:30 a.m.

The primary purpose of the meeting will be to review and discuss evaluations of prior year performance, and the planned programs for FY-81 of the Alaska Balance of State Prime Sponsor for programs which are funded under the Comprehensive Employment and Training Act (CETA).

All interested persons, including representatives of local labor unions and community based organizations are invited to attend and to comment.
