

Bristol Bay Borough and Tundra Times invites you to meet Olympic Goldmedalist Tommy Moe at a FREE salmon bake to be held during the World Eskimo-Indian Olympics in Fairbanks. Watch for details!

It's just over the horizon.

A telecommunications system that will give all Alaskans the quality and global connections of AT&T, along with the familiar reliability of Alascom.

Soon we'll have final government approval, and we'll be ready to bring you the best of both worlds—the statewide service Alaskans have come to expect, combined with AT&T's worldwide communications network.

And that's just the beginning of better things to come.

The best is yet to come...
