

-Peter Jacobs Bethel, Alaska

hether you write one check a month or 100, you'll find a checking and savings account plan at First National that best meets your needs. You'll also get the friendly, professional service you expect.

More important, you'll be banking with an Alaskan owned and operated bank known for strength, stability and service. First National is consistently rated among the nation's topperforming banks.\* Money Magazine recently named First National as one of the safest banks in the nation.

Come talk to us about checking and savings account plans... and discover why First National is the one to count on.

 According to Keefe, Bruyette & Woods, Sheshunoff & Co. and Veribanc, Inc., bank performance analysts.

## Personal Checking and Savings Account Plans

- Enjoy free checking with First National's Regular Checking Account if you maintain a minimum account balance of \$1,000.
- Minimize charges if you write lots of checks each month with our Independence Account. Just \$5.00 per month... no minimum balance or per check fee.
- Earn interest at a rate that is competitive with money market rates while you write checks with our First Rate Account.
- Earn interest that fluctuates with money market rates with our First Investment Account.
- Put a stop to bounced checks. With overdraft protection, funds can be automatically transferred from your savings account and you won't have to pay for a returned check.
- Save time and money with our automatic deposit service and end worries over lost or stolen checks. Savings transfers, social security and annuity payments can be deposited directly into your account.
