"Freedom must be at all times defended, because it is at all times besieged. Not all of us are called to fight on the battlefield. Many of us must, quietly and firmly, do what we can and all that we must, here at home. Buying Bonds, regularly, is as important to this nation in the long reach of history as almost anything we can do."

When you buy U.S. Savings Bonds regularly—through Payroll Savings where you work or Bond-a-Month where you bank—you are also entitled to purchase new Freedom Shares. Freedom Shares are short-term Savings Notes. They pay a higher return than Savings Bonds (4.74% when held to maturity in 4½ years), may be bought one-for-one with Bonds in four denominations, and are redeemable after one year. You will find complete information where you work or bank.

President Johnson displays the first Freedom Share.
