

Beaver 4-H Club Meeting

By WILLIE JOSEPH, Reporter

The 4-H club at Beaver had a dinner July 9th at the BIA school. Sam Hope and Gilbert Joseph help the leader prepare the food.

Among other things we enjoyed fish from the Yukon River and lettuce and raddishes from the garden.

Sam Hope's birthday was July 5. Our leader had made a birthday cake for him.

Sam blew out the fourteen candles before the cake was served. We had popcicles to eat with the cake.

After the dinner Lindell Page showed slides he took when he attended the 4-H Club Conference in Washington, D.C. in April this year.

Every 4-H member who was in the village came to the meeting. They were Clifford Adams, Gerold Hope, David Hope, Sam Hope, Lindell Page, Robert Cruikshank, Willie Joseph, Gilbert Joseph, and our leader, Mrs. Page.

Thomas Adams was a visitor. University Women's Club gave us \$5.00 to use. Our club decided to use the money for pictures.

The pictures were distributed at the dinner. We thank the University Women's Club for making it possible for each of us to have a group picture of our 1969-1970 Club.
