### Public Notice to Village Residents

The village corporation shown below has now officially filed with the Bureau of Land Management (BLM) a map of the village boundaries. This map only shows some of the parcels of land the village corporation has identified as qualifying for transfer of ownership, such as houses, businesses, etc., under Section 14(c) of the Alaska Native Claims Settlement Act (ANCSA). 43 USC 1613(c). This section of the Act requires the village corporation to identify and convey to any Native or non-Native occupant, title to the surface estate in the tract occupied in 1971 as a primary place of residence, primary place of business, subsistence campsite, headquarters for reindeer husbandry, or for certain other specified purposes.

If you have an interest in such land, you should contact the village corporation to review the map of boundaries to be sure the map includes your claim.

#### VILLAGE: CORPORATION

**CROOKED CREEK: The Kuskokwim Corporation**
