NOTICE OF UTILITY TARIFF FILING

The ALASKA PUBLIC UTILITIES COMMISSION gives notice that GCI COMMUNICATIONS CORP. (GCICC), an interexchange telecommunications utility, has proposed a tariff revision (TA47-419). In TA47-419 GCICC proposed to add Section 4.2.5(D), Homecoming 800 Service, to its tariff.

The proposed new tariff provisions are shown below.

4. MESSAGE TELEPHONE SERVICE

4.2.5 800 Service

(C) Rates and Charges

(D) Homecoming 800 Service

Description

Residential customers may select GCI Homecoming Service. This service provides the following rates and charges in lieu of the rates and charges in Section 4.2.5(C) preceding.

Rates and Charges

- (1) Message Charges \$25 per minute
- (2) Annual Recurring Fee \$15.00 per year

If the Commission finds that the proposal by GCICC is not just and reasonable, the Commission may approve a rate of classification which varies from those proposed.

Detailed information may be obtained from GCICC at 2500 Denali Street, Suite 1000, Anchorage, Alaska. 99503-2781. The filing may be inspected at the offices of the Alaska Public Utilities Commission, 1016 West Sixth Avenue, Suite 400, Anchorage, Alaska 99501.

Any interested person may file with the Commission a statement of views favoring or opposing this tariff filing. If you are a person with a disability who may need special accommodation to comment on the proposed tariff revision, please contact Pat Oldenburg at (907)263-2107/TTY: (907)276-4533 by June 9, 1995, to make any necessary arrangements.

Please file comments or petitions by June 16, 1995, to assure their consideration by the Commission prior to a final decision on this matter. Any statement filed with the Commission should clearly affirm that the interested person has filed a true copy of the statement with GCICC.

Dated at Anchorage, Alaska, this 26th day of May, 1995.

NOTICE OF UTILITY TARIFF FILING

The ALASKA PUBLIC UTILITIES COMMISSION gives notice that GCI COMMUNICATION CORP. (GCICC), an interexchange telecommunications utility, has proposed a tariff revision (TA46-419). In TA46-419 GCICC proposes the following modifications to its schedule of charges.

Section 4.2.3—Message Telephone Rate Schedules

GCICC proposes to add the following sentence to the rate schedule for Customer- or Operator-Dialed LEC Calling Card, Customer- or Operator-Dialed Credit Card, Operator-Dialed Billed Third Party Station, Operator-Dialed Collect, and Operator-Dialed Person-to-Person, and Operator-Dialed Coin Station rates. Operator, Sent-paid Coin additional periods are billed in three-minute increments.

Section 4.2.5—800 Service

GCICC proposes to delete the following regulation:

Customers may retain the same 800 Service telephone number assigned by the Company when moving to another location served by the Company within the State of Alaska. However, ownership of the assigned 800 Service number remains with the Company.

Section 4.2.10(B)—Pre-Paid Custom Calling Card Service

GCICC proposes to add Section 4.2.10(B) to its tariff. Under this section the following rules and charges apply. Customized GCI Prepaid Calling Cards are available for customers who choose to purchase cards with customized designs or logos. The conditions found in (A) [GCI Prepaid Calling Card Service] apply except as follows:

GCI Prepaid Calling Cards may be obtained from GCI in face values of 12, 25, 30, 50, 60, or 120 units. The minimum quantity of cards that can be purchased at on time is 2,500. Rates are based on quantity of cards purchased at each sale and on the type of package purchased.

Card Quantity	Price per Unit
5,000 - 9,999	.32
10,000 - 19,000	.31
20,000 +	.30

Section 4.2.9—Special Promotional Offerings

GCICC proposes two changes to this section. First, GCICC proposes to extend the expiration date until August 31, 1995, for the period during which customers to GCI Prepaid Calling Card Service, Section 4.2.10(A) may receive the following promotional offering.

A 25% discount will be applied to the total purchase price after any other applicable discounts for any GCI Prepaid Cards purchased during this promotion. The discounts will be applied to the total purchase price at the time of the purchase and the discounted purchase price will be rounded down to the nearest cent.

Second, GCICC proposes to add the following promotional offering.

For customers of GCI Prepaid Custom Calling Card Service, Section 4.2.10(B), who purchase GCI Prepaid Custom Calling Cards until September 1, 1995, GCI will provide the following promotional offering:

A promotional price of \$.27 will be offered for the purchase of 20,000 cards or more for the Package #1 and the purchase of 10,000 cards or more for the Package #2, #3, and #4.

If the Commission finds that the proposal by GCICC is not just and reasonable, the Commission may approve a rate or classification which varies from those proposed. Detailed information may be obtained from GCICC at 2550 Denali Street, Suite 1000, Anchorage, Alaska 99503-2781. The filing may be inspected at the offices of the Alaska Public Utilities Commission, 1016 West Sixth Avenue, Suite 400, Anchorage, Alaska 99501.

Any interested person may file with the commission a statement of views favoring or opposing this tariff filing. If you are a person with a disability who may need a special accommodation to comment on the proposed tariff revision, please contact Pat Oldenburg at (907) 263-2107/TTY: (907) 276-4533 by June 5, 1995, to make any necessary arrangements.

Please file comments or petitions by June 12, 1995, to assure their consideration by the Commission prior to a final decision on this matter. Any statement filed with the Commission should clearly affirm that the interested person has filed a true copy of the statement with GCICC.
