

The State of Alaska, as part of an ongoing land offering program, is proposing to offer approximately 125,130 acres as potential homestead lands, 60,650 acres as either homestead or subdivision lands, 31,440 acres as potential agricultural lands, and 14,660 acres of subdivision lands within the South-central District to the general public.

Pursuant to AS 38.05.345(b) NOTICE IS HEREBY GIVEN that the Alaska Division of Land and Water Management has made "Written Findings" determining it is in the state's best interest to consider the conveyance of lands referred to in this notice. The "Written Findings" are available for public review during normal business hours at the Southcentral District Office, Lands Conveyance Section, 10th Floor, Frontier Building, 3601 C Street, Anchorage, Alaska. Additionally, the lands are to be classified or reclassified as settlement or agriculture to facilitate the offering. Also, the lands are to be closed to mineral entry pursuant to AS38.05.185 to assist in preventing conflicts with surface survey and land conveyance. If requested prior to the end of the comment period a public hearing will be held on the proposed actions at the request of at least twenty-five (25) Alaskan residents. Any comments, objections or expressions of interest regarding these proposed actions must be received by the Division of Land and Water Management at the above address on or before 4:30 p.m., January 13, 1984 in order to be considered.

NOTICE
STATE OF ALASKA
COMPETITIVE OIL AND GAS
LEASE SALE 43A
Colville River Delta/
Prudhoe Bay Uplands

The Department of Natural Resources, Division of Minerals and Energy Management (DMEM), gives notice of its intent to offer lands for oil and gas lease in the Colville River Delta and the Prudhoe Bay Uplands. The Colville River Delta acreage consists of approximately 46,000 acres of both onshore and offshore land on the North Slope and in the Beaufort Sea. Most of this acreage was deleted from Sale 39 (Beaufort Sea) held in May, 1983. One presently active onshore delta lease will be offered in Sale 43A if the lease expires as scheduled in March, 1984. The Prudhoe Bay Uplands acreage consists of approximately 30,720 acres that were offered but not leased in Sale 34 (Prudhoe Bay Uplands) held in September, 1982. All acreage proposed for leasing in Sale 43A was nominated by the oil and gas industry for sale in conjunction with proposed Sale 43, tentatively scheduled for May, 1984.

The Colville River Delta/Prudhoe Bay Uplands sale is being offered as "exempt" acreage under the terms of AS 38.05.180(d)(2). This provision in the state oil and gas leasing statute allows the Commissioner of the Department of Natural Resources to issue oil and gas
