Dear Chris:

In your letter sent to our office announcing the World Eskimo-Indian Olympics, you state that the name was changed to include

Indian. This was done to weld together the different ethnic people of Alaska. If this is so, then I must ask why the Aleut Nation is not included.

I am not sure if any Aleuts participate in the games, but I know that the Aleuts have fought and survived the environment of Alaska for many centuries. Whether or not Aleuts participate, the name would be more accurate if it included ALEUT.

Very Sincerely,
