*Alaskan June Walunga says farewell to Ukhsima Ukhsima Feb. 27 at the Anchorage Hilton Hotel. Ukhsima was one of more than 90 Soviets in Anchorage for a week-long visit. Rock musicians, folk singers and dancers, Native people, government officials and journalists came to the state at the invitation of Dixie Belcher of Juneau and the Alaska State Chamber of Commerce. Bad weather in the Soviet Far East delayed the delegation's departure — scheduled for Feb. 27 — to early Wednesday morning.*
