Mae Reynolds, budding new artist at 86. She's excited about the future.

Pioneer Home, Anchorage — Mae couldn't be more at home than at the Pioneer Home. Not only does she get to pursue her artistic endeavors in a secure setting, she's also surrounded by her friends. And after a lifetime of work as an Alaskan resident, it's nice to be able to kick back and brush up on some hobbies.

The Pioneer Homes in Alaska are funded by the state.

And over 85% of the State of Alaska's revenue depends on oil and gas development. And, for Mae, that means her picture of the future is a little brighter.

**Made possible by a healthy
Alaska oil and gas industry.**
