

NOTICE OF REQUEST FOR PARTICIPATION COMMUNITY BASED SUICIDE PREVENTION PROGRAM

The Alaska Department of Health and Social Services, Division of Mental Health and Developmental Disabilities, is seeking applications from parties interested in participating in the Suicide Prevention Program. Pending State legislative approval, this program will provide funds and technical assistance to community-based projects which focus on the prevention of suicide and other forms of self-destructive behavior and which promote the overall health of communities and individuals.

Eligible applicants include local governments, non-profit corporations, and the University of Alaska.

The Application must be postmarked May 1, 1989. Funds will be awarded July 1, 1989. Applications are available from:

Susan Soule
Rural and Native Services Coordinator
Division of Mental Health and Developmental Disabilities
P.O. Box H-04
Juneau, Alaska 99811-0620
telephone: 907/465-3370

Those communities who were awarded FY 89 grants will automatically be mailed applications for renewal of their grants.
