

# **Dinner Set For Gruening In Anchorage**

A testimonial fund—raising dinner for Senator Ernest Gruening which had to be postponed in June because the scheduled speaker, Senator Robert F. Kennedy of New York, was assassinated has been rescheduled for August 14, co-chairmen James J. Hurley and Mrs. William B. Garrison announced this week.

Tickets for the Anchorage dinner are now available at the Gruening campaign headquarters in the Pioneers Building at 612 F Street. Dinner tickets are priced at \$50 per plate.

Preceding the dinner at the Anchorage Westward Hotel grand ballroom a VIP cocktail party will be held at the home of Mr. and Mrs. Charles Tryck at 1801 13th Avenue.

Purchase of a \$100 ticket to the cocktail party will include a dinner ticket for the purchaser and will entitle him to bring his wife if an additional \$50 dinner ticket is purchased for her, Hurley and Mrs. Garrison explained.

THE BUREAU of Indian Affairs and the State of Alaska are working cooperatively to achieve a unified, quality system of education for rural and Native Alaska. It is only through such mutual action, coupled with the active interest and involvement of local people that the highest goals can be achieved. The BIA and the State will continue to operate toward these goals, cooperatively.
