

By Susanna

Don't forget! You can pick up your copy of the "IF and WHEN ARCTIC SURVIVAL MANUAL," from the Health Education Office located in the Health and Social Services Agency (Matsutani Building). If you are out in a village and would like a copy, just send a letter to:

HEALTH EDUCATOR

P.O. Box 69

Barrow, Alaska 99723

The cost of each manual is just \$10.00 and this is payable by check or money order. Please make these payable to:

N.S.B. Health Education

That is about it for now. Village Health Clinic Openings will be in the works soon, as well as Hepatitis B Screening, so stay tuned to health!
