STATE OF ALASKA PUBLIC NOTICE OFFICE OF MANAGEMENT AND BUDGET Division of Governmental Coordination

A request has been received by the Office of Management and Budget, Division of Governmental Coordination for a consistency determination pursuant to Section 307 of the Coastal Zone Management Act of 1982, PL 92-583.

Applicant:

Arctic Slope Regional Corp.
P.O. Box 129
Barrow, AK 99723

Proposed Activity: Seismic program to obtain geologic information utilizing vibroseis (R) source techniques and near-surface core samples (maximum depth 100 feet) at one-mile intervals. Program will extend lines into lagoon areas managed by the United States Forest Service and Wildlife Service.

Location of Activity: Barter Island area, North Slope, Alaska.

This determination is requested because the applicant has applied for a permit, identified as: Special Use Permit, from the U.S. Fish and Wildlife Service (USFWS). The consistency determination is a statement of assurance that the Federal permitted activity, which will affect the coastal zone, will be conducted in a manner consistent with the standards of the Alaska Coastal Management Program (ACMP). Any

person who wants to present comments regarding consistency with the ACMP may do so by contacting: Jan Soric, Reviewer.
