

An Alaskan fantasy for children

For the nominal sum of \$4.29, one can purchase a children's fantasy adventure based in Prince William Sound. Authored by Marilyn Heddell, "Journey of Dreams" is an easy to read book, the first of a series to focus the attention of young people on Prince William Sound.

The story contains many safety tips for outdoor activities and numerous lessons on Alaskan geography. Budding geographers will enjoy the many maps provided to develop a familiarity with one of our

country's most scenic regions.

Now available in stores in Whittier, mail order is available by writing to **Marilynn Heddell at P. O. Box 708, Whittier, Alaska 99693.**

For all the youngsters interested in careers in marine biology or mammalogy, this whale story is sure to inspire devotion to study. For all those parents and grandparents who've enjoyed their life's dream vacation in Prince William Sound, the book will make a wonderful gift for young family members. ■
