Have you considered a career in banking?

NBA is looking for individuals interested in a truly Alaskan career. Our Management Training Program provides hands-on training, preparing individuals for loan officer and branch manager positions in communities throughout rural Alaska.

If you're outgoing, with good interpersonal and customer service skills and adapt easily to new environments, we need you!

For more information on how to join NBA's Management Training Program, contact Vikki Lord Irwin at 265-2133 or Cathy Richter at 257-3227. We'll be waiting for your call.
